

Dear Parents,

St. Thomas Aquinas Catholic School has a 20 year history of excellence in education rooted in the tradition of the Catholic Church. Catholic values and teachings are fully integrated in our Pre-K through 8<sup>th</sup> grade curriculum. We continue to uphold the traditions of the past while preparing our students for the future. Our students consistently score well over their current grade placement on National Standardized Tests.

Our fully accredited program includes a complete range of traditional academic instruction complemented by religion, art, drama, technology, Spanish, physical education and competitive athletic programs that emphasizes modeling sportsmanship. We believe in teaching the “whole child.” We attend to our students’ spiritual development in all areas of learning: physical, social, emotional, and academic. We encourage our students’ love of music, drama and art. We want them to play team sports and have daily recess. Our goal is that our students will grow to be well rounded, contributing members of society and have a life-long love of learning!

As principal of our school, I promise our parents a safe, faith-based, learning environment. I am joined in this commitment by our amazing faculty and staff who are dedicated to each student’s success in the classroom. Our students show their love for Christ and others by looking after one another, treating their peers with respect, doing their best every day, and caring for the environment. We are a community working together, valuing children and teaching values.

We are especially proud of the feeling of community you experience when you visit our school. St. Thomas Aquinas Catholic School is a special place. You see it in the faces of our students. You feel it in the enthusiasm of our faculty and staff. You hear it in the voices of our parents. And you experience it in the warm, welcoming embrace of our parish community. We are family!
