A LETTER FROM Mrs. Schellenberg

Dear STA families, supporters, and future Crusaders,

I am pleased to share with you the 2021-22 annual report for St. Thomas Aquinas Catholic School. The 2021-22 school year brought many blessings to St. Thomas Aquinas Catholic School. We are excited to share with you the many successes of the past school year!

In spite of lingering challenges, our school continued to grow with a robust enrollment of 336 students in grades Prek-2 through 8th grade. Our academics soared for another year with our students scoring above national norms on standardized testing. We expanded our elective program to include engineering robotics, performing arts, the STAN network, team sports, and Youth Ministry. Our sports program earned many accolades

with our boys varsity volleyball team winning the Middle School CYS Championship. Students at STA were able to continue to grow in body, mind, and spirit.

We would like to thank our sponsors and donors that continuously help our school through their participation, fundraising, and events. This support allows us to continue our mission and provide an excellent Catholic education to our students. May Christ continue to grant His blessings on us all. We look forward to another year of faith-filled learning and growth at STA.

In Christ,

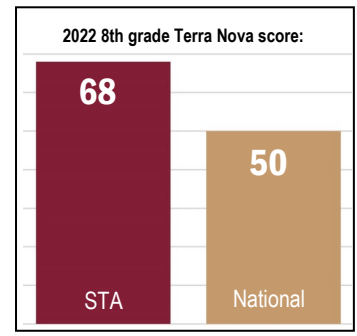

Lauren Schellenberg
